Payment Updates

Currently we accept payment in two ways:

- 1) Online banking (VanCity, Coast Capital, Island Savings, BMO, CIBC, HSBC, and TD)
 - 2) Cash, cheque, or money order mailed or dropped off to our office (never send cash in the mail)
- We are working on providing credit card payment options by summer, and will keep our members updated when this occurs. Members are welcome to prepay their accounts with extra funds.

Attention UVic Members

We will be collecting updated credit card information from our UVic partnership members in the next month. As part of our agreement with the University, we require this information from all members without share equity. Please call the office so that we can update your file. We will be inactivating UVic members who have not submitted credit card information in May.
